

THE 2010 TORO®
**SUPER
RECYCLER®**
AND
**SUPER
BAGGER**

Toro builds reliable and innovative features into every mower to make lawn care faster and easier! Mow like a pro this season with these superior performing mowers.

**CUTTING & BAGGING
PERFORMANCE**

The blade, deck and bagging systems work together for superior mulching and bagging results – depending on your needs.

PERSONAL PACE®

Mow at your own speed. This system effortlessly senses and adapts to your walking speed – over 4 mph.

SUPERCARE ADVANTAGE

Register your product purchase online and automatically receive program benefits such as free blade sharpening for 5 years and dedicated support.

WARRANTIES

Sturdy performance season after season – backed by one of the most solid warranties in the industry. Ask your dealer about our 5-Year Guaranteed-to-Start (GTS) Promise and 5-Year Full Coverage Warranty.

Count on it.

▶ = Enhanced or Step-up feature

"QUICK CONNECT" BAGGING
You don't need tools to switch between bagging, side discharge or mulching options.

READY START™ ENGINE
No need to prime the engine, just start the mower and go!

"QUICK WASH" WASHOUT PORT
Attach a hose to the mower deck to easily clean the under side of the deck.

SUPER BAGGER FEATURES

BAGGING SYSTEM
Features "high-back" deck design with larger rear discharge opening for outstanding bagging performance.

QUICK STOW LEVER
No bending over. Just tap the quick stow lever to raise the handles for quick, easy storage.

BLADE OVERRIDE SYSTEM
Stops the blade not the engine. No need to restart the engine each time you empty the bag or move obstacles out of the way. (Only on 20194)

*The gross torque of this engine was laboratory rated by the engine manufacturer in accordance with SAE J1940. As configured to meet safety, emission, and operating requirements, the actual engine torque on this class of mower will be significantly lower. **See retailer or www.toro.com for warranty details.
