## e-Cycler™ Features

### 36 VOLT SYSTEM

The 36 volt cordless system is powerful and emissions-free.

### 20" MULCHING DECK

The 4", deep-domed deck design is specially designed for superior mulching performance.

### LIGHTWEIGHT DESIGN

Weighs only 77 lbs – lighter than most other battery/cordless mowers.

### EASY TO OPERATE CONTROLS

Simple two-step operator controls – integrated one-handed control assembly with two-step action – safe and easy to use.
