ADDITIONAL FEATURES

QUICK CHANGE STORAGE HANDLE

Need to store the mower upright in tight spaces? Just flip the blue levers to raise the handle.

AUTO CHOKE

Just start the mower and go! No need to prime the engine first.

WASHOUT PORT

Attach a hose to the mower deck to easily clean the underside.

SPIN-STOP™

Stops the blade but not the engine, so you can step away briefly without having to restart the engine.
(Available on 20383 only)

ELECTRIC START

Don't have to pull a recoil cord to start the engine.
(Available on 20384 only)

TORO TXP OHV

Toro's premium overhead valve engine is powerful and efficient.

SUPER RECYCLER® CUTTING SYSTEM

The patented Super Recycler Cutting System features a venetian style cutting blade, a clipping accelerator and kickers that combine to give you the premium cutting system from Toro for an outstanding quality of cut.

PERSONAL PACE®

Toro's innovative rear wheel drive Personal Pace system senses and smoothly adjusts to your walking speed. Slight pressure on the handle propels the mower to the speed you want to go. The industry's easiest to use and most technically advanced self propel system.
