GreensPro™ 1200

Riding Greens Roller

F E A T U R E S

Riding Greens Roller

- *Offset, independent rollers for improved contour following and reduced striping.*
- *Wide turning radius helps minimise scuffing and turf damage*
- *Easy-to-operate foot pedals control the speed of side-to-side operation*
- *Converting from operating to transport mode can be done by one person without tools*
- *Easily adjustable seat does not affect the weight distribution of the machine, ensuring even rolling, regardless of the operator*
- *As with all Toro equipment, high quality Toro Genuine Parts available*
- *Warranty: Two-year limited manufacturer's warranty.*

Keeping Your Greens Smooth Just Got Easier!

The new Toro GreensPro 1200 riding greens roller is the perfect rolling tool for areas such as golf courses, bowling greens, tennis courts and other sporting fields. Any fine turf area that requires a smooth, high performance surface for optimum playing will benefit from precision rolling. Carefully engineered and manufactured, the GreensPro will provide safe, dependable and reliable service for years to come.
