COOL TOPS™ FAN

# Cool Tops™ Downdraft System FOR COMMERCIAL MOWERS

**AVAILABLE EXCLUSIVELY  
FROM THE TORO COMPANY**

*Beat the Heat With a  
ROPS-Mounted Electric Fan*

Available only from The Toro Company, the **Cool Tops** system is a patented, 12-volt fan that mounts to Toro Z riding mowers equipped with a roll-over protection system (ROPS) – whether old or new. It's designed to promote comfort and productivity by keeping motor heat, insects, and debris off equipment operators.

Already a proven performer on farm and construction machinery, the fan system is now available to landscape professionals who want to beat the heat while mowing their properties.

# Cool Tops™ Downdraft System: A Great Way to Beat the Heat

## *Durable and Efficient Leads to Comfortable and Productive*

The **Cool Tops** heavy-duty fan utilizes the 12-volt power system of the mower's traction unit\* to deliver an output of 1800 cubic feet per minute (cfm) of air flow. The fan's sturdy construction includes a welded steel frame plus a waterproof motor and switch, all backed by a one-year warranty.
