Toro Financing • Crop Terms for Growers Toro Financing • Crop Terms for Growers

LOBO

How It Works

Toro financing allows you to purchase irrigation system products when you need them and spread out the payments based on your cash flow needs. Need the products in January but want to start paying in September? No problem. Payments can be made monthly, quarterly, every six months or in one lump sum, and they start on the date you decide. And no down payment is required, although you can choose to make one.

Ask your Toro dealer or visit toromicroirrigation.com for more information today.

Getting Started

You must finance a minimum of \$100,000, with a maximum finance term ranging from 12 months for annual crops up to 3 years for multi-year crops. Simply work with your authorized Toro dealer to set up the details:

You can rest easy knowing that this program is backed by the financial strength of The Toro Company ...and our strong commitment to your success.

Toro Financing: Problem Solved!

- Q: I'd like to put in a new irrigation system now so I can get the best yield from my crop, but I need the revenue from a harvest to pay for it. Can I make one lump-sum payment after harvest?
- A: Yes. You can schedule payments around your crop (see Example 1), or make regular monthly payments.

EXAMPLE 1: ANNUAL CROP

Crop:	Tomatoes					
Term: .	8 Months					
Rate:	1-Month LIBOR					
Prepaid Fees**:\$1,102						
Principa	l:\$110,233					
Total Interest:\$1,631						
Total Payment:\$112,966						
ALL-IN INTEREST RATE: 2.5%						

- Q: My crop needs two harvest seasons to produce a full return on my upfront investment. Can my payment amounts vary over the financing term based on my revenue schedule?
- A: Absolutely. Toro Financing can be tailored to fit your individual situation (see Example 2).

- Provide two years of financial statements, as well as bank and trade references.
- Finalize your irrigation design and purchase order with your Toro dealer, including product quantities and pricing.
- Set the length of the financing term and desired payment dates.
- Upon approval, sign the financing agreement and send it with your purchase order and prepayment to Toro Customer Service.
- Your order will be processed and shipped as soon as your financing agreement is received.

EXAMPLE 2: MULTI-YEAR CROP

Crop:Sugar Cane Term:	FIRST MONTH	6 MONTHS	12 MONTHS	18 MONTHS	24 MONTHS	30 MONTHS
Rate:6-Month LIBOR	↓	+	+	*	+	↓
Prepaid Fees**:\$10,421	DELIVERY	5% Payment	5% Payment	FIRST	5% Payment	SECOND
Principal:\$206,350	\$206,350 in	\$14,145 P+I	\$14,640 P+I	HARVEST	\$12,097 P+I	HARVEST
Total Interest:\$14,438	to grower.			40% Payment \$85,233 P+I		45% Payment Grower makes a final
Total Payment:\$231,209	Prepayment fees**					payment of \$94,673
ALL-IN INTEREST RATE: 4.89	(\$10,421).					(principal + interest).

**No down payment is required. You may choose to prepay fees up front or finance them with the principal and interest.
