

SECTION: FORM

SUBJECT: RECEIPT VERIFICATION

The warranty described here is from Toro Underground herein referred to as "Toro". Toro provides one of the best warranty packages in the industry to the original retail purchaser or subsequent owners during the warranty period. The Toro warranty assures that its products are free from defects in material or workmanship for the following periods, starting from the first warranty start date. Note: the warranty period for all coverage begins at the time that any person (i.e. dealer, customer) first places the machine into service. At the latest, Toro considers a machine to be placed into service when purchased or delivered to a purchaser. Certain Demonstrator, rental, lease, and other used machines may be eligible for a portion of a new unit warranty, but that does not mean that a machine is new or unused. The warranty period ends when either the year/month or machine hour limit is reached, whichever limit occurs first.

Machine

- Base Tractors (RT800, RT1000, RT1200)
- Directional Drills (DD-65C, DD-1416C, DD-2024C, DD-3238C, DD-4045)

*Trenchers: 3-5-7 Warranty includes 3 Years / 3000 Hours of warranty coverage on the base unit and 5 Years / 5000 Hours of warranty coverage on the engine and engine components.

Toro Responsibility: If a defect in materials or workmanship is found in a machine during its warranty period, Toro will repair the defect as long as an authorized Toro dealer at his/her location performs the services. If parts are needed during the repair, Toro will at its option, use either new or remanufactured parts.

Exclusive Remedy: The remedies provided under the terms of this warranty are the owner's exclusive remedies and are in lieu of any other remedies otherwise available.

Other Notes: Please be aware that no Toro representative has the authority to change the terms of this warranty in any manner. This document represents the final and complete integrated expression of the warranty provided to the purchaser. Any assistance to the purchaser in the repair or operation of any Toro product will not constitute a waiver of the terms of this warranty, nor will any such assistance extend or revive the warranty.

The Owner's Responsibility: The Toro warranty will become void if the owner does not perform the required maintenance at the recommended times as outlined in each machine's operator's manual. Toro or Toro approved service parts must be used for maintenance. Additionally, the owner will pay for all freight, transportation, and travel expenses related to any warranty repair.

TORO WARRANTY DOES NOT COVER (This is not a complete list of items not covered. Refer to the Toro Underground Dealer Policy Manual for a complete list):

- Used and secondhand products outside of the warranty period.
- Replacement due to wear. This includes but is not limited to items such as brakes, digging teeth, digging booms, digging, drive, or track chains, track pads, drive sprockets, idlers, rollers, blades, cutting edges, or other ground engaging components.
- Normal maintenance parts or service including but not limited to engine tune-ups, lubrication, coolants, adjustments, filters, belts, lights and bulbs.
- New Toro products and parts or components of new Toro products that are covered by separate and specific warranties. This includes but is not limited to trade accessory items such as electrical equipment, fuel injection equipment, engines, quad tracks, and tires
- Machines equipped with non-authorized modifications or non-approved attachments
- Machines damaged by improper use, accident, other casualty or negligence, or from operation beyond rated capacity or specifications
- Ground engaging components or drill tooling
- All electronic locating devices

Limitations and Exclusions: Toro makes no other representations or warranties, expressed or implied and specifically excludes the implied warranties of merchantability and fitness for particular purpose. The disclaimer of implied warranties shall not apply to the extent such disclaimers are not allowed by applicable state or provincial law. Toro will not be liable for incidental or consequential damages of any kind or nature.

The correct operator's manual has been given to me. YES / NO

The selling representative explained safety precautions and safety features about the product to me. YES / NO

The selling representative explained the warranty terms and coverage to me. YES / NO
