\*The gross horsepower of this engine was laboratory rated by the engine manufacturer in accordance with SAE J1940. As configured to meet safety, emission and operating requirements, the actual engine horsepower on this class of mower will be significantly lower. \*\* Blade tip speed is the theoretical maximum speed in feet per minute and is likely to vary. We reserve the right to improve our products and make changes in the specifications, designs and standard equipment without notice and without incurring obligation. †See dealer for warranty details or go to [toro.com](http://toro.com) (US) or [toro.ca](http://toro.ca) (Canada).

➡ = Enhanced or step-up feature.
