➤ = Enhanced or step-up feature.

*The gross or net torque of this engine was laboratory rated by the engine manufacturer in accordance with SAE J1940. As configured to meet safety, emission and operating requirements, the actual engine torque on this class of mower will be significantly lower. **See dealer for full warranty details or go to toro.com (US) or toro.ca (Canada). We reserve the right to improve our products and make changes in the specifications, designs and standard equipment without notice and without incurring obligation.
