

**TORO** Count on it.

# Rake-O-Vac Sweeper

## F E A T U R E S

- 16.4 kW (22 hp)  
Kohler Command engine
- 4.4 m<sup>3</sup> (5.75 cu. yd.) capacity
- Spring-loaded flex tip reel delivers  
impressive sweeping performance
- Optional broom reel provides  
additional sweeping power

## Toro Rake-O-Vac

The compact, maneuverable Toro Rake-O-Vac clears debris from even the tightest areas, yet its reinforced 4.4 m<sup>3</sup> (5.75 cu. yd.) hopper has the capacity for large jobs. A 16.4 kW (22 hp) Kohler® Command® engine delivers enough power to sweep turf clean and helps make the Rake-O-Vac the most maneuverable self-powered sweeper in its class. To save space in the hopper, a rugged impeller fan pulverizes leaves and debris.

<b>LENGTH</b>	419 cm (165")
<b>WIDTH</b>	226 cm (89")
<b>HEIGHT</b>	234 cm (92")
<b>WEIGHT</b>	1,322 kg (2,914 lbs.)
<b>WARRANTY</b>	Two year limited

A clean sweep. Nothing cleans turf of leaves and pine needles like the flex tip reel. Its flexible nylon fingers brush the ground clear of debris utilizing a spring-loaded design to give the fingers an extra kick for clearing debris in wet conditions.

Breathe easy. New air flow system improves dust management and provides a cleaner environment for operator and bystanders.
